### **NOTIFICATION OF AQUATIC TREATMENT MCKINSTRY POND - OXFORD**

McKinstry Pond will be treated with the USEPA/MA DAR registered aquatic herbicide AquaPro (glyphosate) to control the growth of nuisance waterlilies on Friday, September 2, 2011 with a rain date of September 7, 2011. The pond will be closed to all uses, including swimming, boating and fishing on the day of treatment only. A second, follow-up treatment of the waterlilies will occur sometime in late September. The work is being performed under contract with Aquatic Control Technology, Inc., of Sutton, MA for the Oxford Conservation Commission, pursuant to permits (license) issued by the MA DEP, Office of Watershed Management and in accordance with an Order of Conditions from the Oxford Conservation Commission.

If you have any questions, please contact the Oxford Conservation Commission at 508-987-6044.
