**OXFORD TOWN MANAGER SELECTION COMMITTEE SEEKING CITIZEN
INPUT REGARDING QUALIFICATIONS FOR NEXT TOWN MANAGER**

Oxford, MA – The Oxford Town Manager Selection Committee is pleased to announce that it is accepting citizen input via email and U.S. Postal Service regarding the preferred skills and qualification residents would like in candidates for the community's next Town Manager.

“We are interested in hearing from citizens regarding the expertise and qualifications they would like to see in their next Town Manager,” said Ryan Avery, Chairman of the Town Manager Selection Committee. “It is important that Oxford's citizens are an integral part of the Town Manager selection process.”

Oxford has contracted with the consulting firm Community Paradigm Associates, LLC, to assist in the search process. Representatives of the firm, including Principal Bernard Lynch, will review all input provided as will members of the Town Manager Selection Committee.

To submit recommendations regarding the desired skills and qualifications of Oxford's next Town Manager, please email:
