**Governor Baker's Temporary Executive Order and Revised COVID-19 Measures: EFFECTIVE DECEMBER 26, 2020 12:01 a.m. – January 10, 2021 with a possibility of an extension of another week based upon available data**

This pause will reduce allowable occupancy from current capacity levels of 40% to 25% in multiple sectors.

- Notably, this capacity limit will now apply to restaurants. Capacity will be set at 25% of pre-COVID seating capacity and distancing between tables and other requirements will remain in place. Indoor and Outdoor seating capacity must be calculated separately (rather than combining them).
- Small spaces (such as personal services) and other spaces without clear occupancy standards may use 5 people / 1000 square feet as an alternative to the 25% occupancy
- The 25% limit will not apply to manufacturing, laboratories, drive in movie theaters, or construction
- Employees/staff are exempted from the capacity count
- Limits at indoor event venues are being reduced to 10 people.
- Limits at outdoor event venues are being reduced to 25 people.
- Current limits at private residences remain the same (10 indoors and 25 outdoors)
- Limits at movie theaters will be reduced to 25% (no more than 50 people per theater)
- Limits outdoor performance venues will remain 25% (with the max number reduced to 25 from 50).
- Office spaces will be required to reduce capacity to 25%, but there will continue to be allowances for offices with "critical services", such as public safety, public health, and other critical services. There is no approval required for these exemptions.
- K-12 schools continue to be exempted from these capacity limits and will need to follow DESE standards and guidelines.
